

Ángela Fernanda Escobosa López

Software Development Engineering

CONTACT

Email: angela.esc24@gmail.com

Address: Culiacán, Sinaloa, México.

PROFESSIONAL PROFILE

I am a Software Engineering student with experience in mobile development and academic projects using tools such as Python, Java, SQL, Swift, and Kotlin. I am interested in joining a team that will allow me to gain work experience and learn from professionals, contribute commitment and responsibility, and let me continue developing both technically and workwise.

ACADEMIC FORMATION

University of TecMilenio

Student of Software Development Engineering

7° Semester (Start of Professional Internship: July 2026)

Certifications

- Swift: Delegations and Data Sources
